Dear Ms. Eickmeier,

I have been trying to reach you via telephone, but my attempts have been unsuccessful. I have completed SCR # 2096499A where you are an alleged perpetrator or child abuse/neglect to your daughter, Madeline Kramer. This report is recommended UNFOUNDED for Allegation 60-Substantial Risk of Physical Injury/Environment Injurious to Health and Welfare by Neglect. This means that there was insufficient evidence to substantiate the allegations against you. Should you have any questions regarding this investigation, or the recommended finding, please feel free to contact me at 815-433-4371.

Sincerely,

Misty J. Lampley, MSW
